According to SMA Order No. 21 of 5 February 1947, suggestions were requested from the State Administrations on the establishment of so-called "Industriegenossenschaften" (industry cooperatives) similar to "Group Leader Firms" in order to have a system of control over industry, "similar to the previous controls". These suggestions were to be submitted by 25 February 1947.

> This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 13 Cotober 1978 from the Director of County Intelligence to the Archivist of the United States.
